
Biography

I am a sound designer / dubbing mixer with year's experience in mixing commercials, broadcast, film, and branding. I'm a well qualified and efficient Pro Tools operator. Mixed to a variety of formats, genres and broadcasters. Clients include Mercedes, VW, o2, Innocent, Sony, BBC, Channel 4, Virgin. I have worked in top facilities such as Evolutions, Factory, Halo, Crow TV, BBC Post and Ascent. I have a deep understanding of audio and a creative flair in crafting sounds. I am highly motivated and work well within a team and independently. Good client hospitality and project time management even under pressure.

Skills

- Experienced and Qualified Pro Tools HD Operator.
- High end Sound Editing / Mixing with a creative flair in Sound Design.
- Highly experienced in VO Recording / ADR and client hospitality.
- Fluent in Control Surfaces – ICON D-Command, D-Control, C-24,, Pro Control, Mackie Hui, 003 Factory.
- Technical Knowledge – DOLBY 5.1, ISDN, Source Connect, DA98, LM100, Cedar, Avid Unity & Interplay
- Third Party Plugin Knowledge – Waves, Reaktor, Sonomic, Sound Miner, Native Instrument, Reason, Massey.
- Good understanding of studio sound assisting and SQN mixing / boom operating.
