
Biography

I am a Freelance Dubbing Mixer / Sound Designer with years experience in mixing broadcast television, film, promos and commercials. I'm a well qualified and efficient Pro Tools operator. Mixed to a variety of formats, genres and broadcasters. Clients include BBC, Channel 4, Virgin, RSA, BDA, Sky, Discovery, ITV, MTV, FIVE, FilmFlex & Sony. I have a deep understanding of audio and a creative flair in crafting sounds. I am highly motivated and work well within a team and independently. Good client hospitality and project time management even under pressure.

Skills

- Experienced and Qualified Pro Tools HD Operator.
- High end Sound Editing / Mixing with a creative flair in Sound Design.
- Highly experienced in VO Recording / ADR and client hospitality.
- Fluent in Control Surfaces – ICON D-Command, C-24, Pro Control, Mackie Hui, 003 Factory.
- Technical Knowledge – DA98, LM100, Cedar, Avid Unity & Interplay
- Third Party Plugin Knowledge – Waves, Reaktor, Sonomic, Reason, Massey, Sound Forge.
- Good understanding of studio sound assisting and SQN mixing / boom operating.

Qualifications & Awards
